

BEACON OF LIGHT

COACHING · CONSULTING · PUBLIC SPEAKING

PUBLIC SPEAKING

We are adept at keynote and guest speaking, as well as training and workshop facilitation. Our prepared topics are aimed at illuminating and bridging the gaps between people and business. All topics are approached thoughtfully, taking care to value both personal and professional development.

Areas of focus include:

- Leadership
- Motivational/Empowerment
- Professional

OUR GOALS

- Helping people to realize that they are not alone in their experiences.
- Aligning purpose and profession.
- Bridging the gaps that exist between people and business.
- To provide transformative content that leads to personal and professional growth.

OUR HOW

- Being authentic and engaging.
- Taking a realistic approach and talking about topics in a relatable manner.
- Providing relevant, applicable information that can be realistically and immediately implemented.
- Designing presentations to expand each person's experience, understanding, and performance.
- Creating safe spaces to allow for personal and professional development.
